

書名： The Smartest Giant in Town

學生姓名： 朱灃霖 (下幼A)

作者： Julia Donaldson / Axel Scheffler

日期： 19Jan2021

出版社： Macmillan

內容摘要：(篇幅所界，不多於 120 字)

It is about a sad giant called George who was the scruffiest in town ... until one day he visited a new shop and he bought some smart clothes for a new look. But on his way home, he meets various animals who desperately needed his help and his clothes! He didn't hesitate to give an article of clothing to the animal even he love it . At the end of story the animals he had helped carrying him an enormous present to the kindest giant in town.

推介原因：

It is a very sweet story which teaches you the feelings of happiness and sadness.

It also teaches us the importance of sharing and generosity.

It looks like a happy version of "The Happy Prince" and more suitable for the young aged.
